

## **Vice Chancellor's Message**

### **Dear Students**

As you are aware that 'The Students' Union Election 2018' is scheduled to be conducted on 17<sup>th</sup> October 2018; I am sure this is good news for all of you. The students' election is an opportunity for inculcation of democratic values and practices among students. Universities and Colleges are the nursery of democracy and provide a good opportunity for students to learn and understand the tenets of leadership. Since it is an opportunity for you to participate and choose your representatives, it is expected that a healthy sense of competition prevails throughout the process of election. The University has made all arrangements for conducting fair and smooth election. We expect full cooperation and support from all of you and advise you to be democratic in spirit. Since we belong to the community of educated and enlightened citizens of this Country, let us maintain the decorum and behavior expected of us. I suggest you not to be swayed directly or indirectly by any political outfit and to be careful in your conduct.

Let us celebrate this festival of democracy at the University level with a positive commitment for upholding democratic values and principles of life.

### **Best Wishes**

Professor Sushma Yadav  
Vice Chancellor
